Our mission is to provide positive arts experiences through quality instruction at a reasonable cost to students of all ages and levels of ability. By advocating lifelong learning in the arts, we hope to help expand our community's artistic heritage and foster an appreciation for all arts and artists.

The Community School of the Arts at Eastern Oregon University is dedicated to providing quality Arts instruction to the communities of Northeastern Oregon.

We are housed on the beautiful campus of Eastern Oregon University and are part of the community outreach effort of the College of Arts and Sciences.

All classes and ensembles are scheduled on a quarterly basis. Each quarter is 10 weeks in length. The fee listed for a course or ensemble is for one quarter of participation or one camp session. There is a \$20.00 non-refundable registration fee charged each quarter to all CSA students and participants in addition to the course fees.

Course fees are non-refundable unless the Community School of the Arts at EOU cancels the class or ensemble. Course fees may also be refunded in the case of a medical emergency that precludes the student from completion for the course. All refunds will be prorated based on the ten-week quarter and subject to a 20% cancellation fee.

Course fees and student registration fees are due in full before the first day of the course. Students starting Private Lessons after the quarter has begun will have their course fees pro-rated based upon the number of weeks remaining in the quarter.
