\* For MIDDLE SCHOOL level endorsement only, usually through Algebra 1. Does NOT qualify for secondary mathematics teaching. Take the two Advanced Math tests for Secondary level licensure.

\*\* Integrated Science tests qualify you to teach Middle level science and some secondary science classes (i.e. Earth Science). Take Biology, Chemistry, or Physics tests if you want to teach those subjects at the high school level.

\*\*\* No Praxis test is required for an Endorsement in Theatre, however, Theatre Endorsements must be accompanied by some other Endorsement.

Call for current information regarding any specialized endorsement.
